GIN MENU

	25ml	50ml
BOBBY'S SCHIEDAM DRY GIN 42%	4	7
A balanced blend of juniper, cinnamon, rosehips, cloves, fennel, lemongrass, coriander and cubeb peppers. Best garnished with orange peel and cloves.		
COLOMBIAN AGED GIN ORTODOXY (DICTADOR) 43%	4	7
A fresh tasting gin containing spices such as cinnamon, pepper and angelica. Served with grapefruit peel garnish.		
BURLEIGHS GIN 40%	4	7
Distilled with 11 of the world's finest botanicals including silver birch, dandelion, burdock and elderberries. Incredibly smooth and balanced, it is perfect for a classic gin and tonic with a twist of orange zest or a wedge of freshly cut grapefruit.		
SLINGSBY RHUBARB GIN 40%	4.5	8
Initial sweetness of rhubarb and raspberry followed by the bitter tang of the pink grapefruit citrus base. A tart rhubarb finish rounds off the drink leaving an unforgettable flavour on the palate.		
PINK RIVES STRAWBERRY GIN 37.5%	4.5	8
A pink gin from spanish producers, rives. Usually "pink gin" refers to a delicious concoction of gin mixed with a dash of bitters (often angostura), but this is actually made using their gin and strawberries from huelva. Rather sweet with juicy strawberry notes front and centre.		
HAYMAN'S LONDON DRY GIN 40%	3.5	6
Our house gin and bartenders favourite; just the right balance of juniper, coriander, lemon and orange peel, as well as angelica, orris root, cinnamon, cassia bark, nutmeg and liquorice. Served classically with a lime garnish.		
KING OF SOHO GIN 42%	4	7
Crafted using 12 botanicals such as coriander, citrus, angelica root and cassia, creating a smooth and full flavoured gin. This spirit was created by Howard Raymond as a tribute to his late father Paul Raymond ("the king of soho"), notorious for his risqué club and magazine empire. Served with lime and grapefruit to pack a citrus punch.		
KOVAL ORGANIC DRY GIN 47%	4.5	8
Made with a unique variety of woodland spices. Juniper and wildflowers envelop the nose, while the taste is dry, yet vibrant, clean and nuanced by emerald grasses, golden citrus, and white pepper with a round, floral body.		
6 O'CLOCK GIN 43%	4	7
6 O'clock gin has a refreshingly clean and balanced taste built around the classic combination of juniper, coriander, orris root and angelica - with a modern twist from the addition of orange peel, elderflower and winter savoury.		

	25ml	50ml
HAYMAN'S SLOE GIN 26%	3.2	5
The deep plummy aromas, hints of almond nuttiness, and delicious fruity flavours all come together to make this a truly exquisite sloe gin. Best served neat with a lime wedge garnish.		
HENDRICK'S GIN 41.4%	4	7
A gin lovers classic, made from botanicals including yarrow, cubeb berry, juniper, elderflower and orange peel. This succulent gin is characteristically served with a cucumber garnish.		
COPPERHEAD GIN 40%	4	7
Copperhead gin is a belgian expression, made with a selection of five botanicals - juniper, cardamom, orange peel, angelica and coriander. It was apparently named after mr. Copperhead, an alchemist who was searching for the elixir of life. Along the way, he produced the recipe for this refreshing gin.		
MONKEY 47 GIN 47%	6	9
Monkey 47 is an in-house favourite from germany, produced using 47 handpicked botanicals. Of the 47 handpicked plant ingredients, a third come from the black forest. The key constituent to this complex gin is cranberry, which offers a slightly sweet alternative to many of the gins available on our shelf. A complex and luscious spirit, best served with juniper berries and cranberries.		
PORTOBELLO ROAD GIN 42%	4	7
Portobello road is a customer favorite, consisting of juniper, lemon, bitter orange, coriander, liquorice and nutmeg. Best served simply with a twist of pink grapefruit.		
SIPSMITH LONDON DRY GIN 41.6%	4.5	8
Juniper berries, angelica root, coriander seed, cassia bark, orris root, almond, cinnamon bark, liquorice root, lemon and orange peel make up this small batch gin. Lemon peel and juniper berries provide the perfect finish.		
BLOOM GIN 40%	4	7
A sip of bloom gin is sweet, delicate and floral, with a citrus finish. The honeysuckle in bloom provides natural sweetness and warms up the chamomile, while the pomelo offers a soft sun-drenched citrus note to perfectly balance the gin, rounding out bloom. Best served with strawberries.		
BROCKMANS GIN 40%	4.5	8
Another stand out gin consisting of juniper, blueberries, blackberries, cassia bark, liquorice, lemon peel, coriander, angelica root, orange peel, orris root and almonds. For gin lovers with a sweet tooth, best served with orange peel, blue berries and blackberries.
